

## **School and College Yearbook Collection in the Education & Religion Department**

Listed below are the available middle school, high school, and college yearbooks and related school directories in the Education and Religion Department. This collection of over 900 books has been assembled primarily from gifts to the Library and is uneven in its coverage of schools and years. Unless other locations are noted, yearbooks are reference material for use only in the Main Library. They can be requested at the reference desk of the Education and Religion Department.

If you or a family member has copies of annuals not included in the list below, we encourage you to donate them to the collection. These books are heavily used by patrons interested in local history, class reunions, genealogy, or personal reminiscing. Books may be dropped off in the donation bins at Main or Branch libraries. **If you have any questions, please call 513-369-6940.**

Additional information about schools and their alumni may be sought directly from the schools.

This list is divided into four sections:

- Fraternity Alumni Directories
- Middle and Junior High School Yearbooks
- High School Yearbooks
- College Yearbooks
