December 21, 2001

### **Have Any Old Library Memorabilia to Share?**

As the Public Library of Cincinnati and Hamilton County approaches its 150<sup>th</sup> birthday, a book will be published to help commemorate the Anniversary Celebration in 2003. In addition to its own archives, the Library is searching for some of the more difficult items to uncover such as old photos, sketches or paintings of the Main Library or any of the 41 branch buildings or early deposit stations; and special ceremonies held inside or outside the library during earlier times.

Memorabilia such as old Library cards and pencils from any era; bookmarks, brochures, or any posters or announcements from an earlier time about the Library are some of the items the Library needs most. If you or anyone you know would like to contribute old memorabilia, photos or material about the Library that may help in completing the book, please contact the Public Relations Department at 513-369-4571.

✓ **Information about events at the Main Library and 41 branch libraries is available on the Internet site: [www.CincinnatiLibrary.org](http://www.CincinnatiLibrary.org).**
