New Unclaimed Funds Books Available

Millions of dollars await rightful owners in the Unclaimed Funds Division in the state of Ohio. Trying to locate these citizens is a task that Hamilton County Treasurer Robert A. Goering undertakes each year. Beginning Monday, October 3, seven sets of unclaimed funds books that list names and addresses of Ohioans owed money will make their rounds at area libraries. One set will be permanently housed in the Government and Business Department at the Main Library, and the Green Township, Symmes Township and Anderson Branches. The remaining three sets will circulate at branch libraries on a rotating basis for a week at a time.

According to the Treasurer's Office, unclaimed funds include dormant bank accounts, unpaid insurance policies, unreturned utility and rent deposits, unredeemed gift certificates, undelivered and uncashed dividends and shares of stocks, uncashed traveler's checks, matured bonds, and certain liquidation proceeds.

In Hamilton County alone, over \$30,000,000.00 is owed; in the state of Ohio, over \$100,000,000.00. Forms will be available at each branch and the Government & Business Department to process claims. A listing of unclaimed funds and forms to print out to apply for the funds is also available on the county web site: <http://www.hamilton-co.org/treasurer/uncfnds.asp>.
