**Check Out a Book or Renew Your Library Card  
to Get a Free Tulip Poplar Seedling at Your Local Library March 24**

In honor of Earth Day, anyone who checks out a book or other item at the Main Library or 41 branch libraries on Friday, March 24 will receive a Tulip Poplar seedling as long as supplies last. This free promotion is made possible with support from the Ohio Valley Forestry Fellowship and the Federated Garden Clubs of Cincinnati & Vicinity.

According to the American Forest Council, in the process of growing, trees:

- breathe in carbon dioxide and breath out oxygen
- protect soil from wind and water erosion
- provide an environment for hundreds of species of plants and animals
- add beauty to the landscaping
- produce renewable raw materials for the wood and paper products we all use
