**Everything You Wanted to Know About Astrology But Were Afraid to Ask  
at Main Library August 20, 2-4 p.m.**

Ever wondered about what astrology is and were afraid to ask? Now you don't have to be, when Astrological Consultant Kat Thinnnes presents **Everything You Wanted to Know About Astrology But Were Afraid to Ask** on Sunday, August 20 from 2:00-4:00 p.m. in the Reading Garden of the Main Library, 800 Vine Street.

"I came upon astrology in 1988 on a 'spiritual journey,'" Ms. Thinnnes said. "I found the information contained in the interpretation of the astrological natal chart to be profound and life changing." Ms. Thinnnes studied Astrology by taking classes, doing lots of reading, and finally by taking a two-year self study course.

Thinnnes took the American Federation of Astrology exam in 1992 and has been a practicing, accredited astrologer since that time. She continues to attend astrological conventions and workshops to develop her interpretive skills. Kat uses Astrology as a key to understanding the self and works with that information to help her clients make healthy, balanced life choices.
