## **Friends' End of Summer Warehouse Used Book Sale August 17-20**

The Friends' annual **End of Summer Warehouse Sale** gives avid readers an opportunity to browse through more than 100,000 used books and other items. This year's sale will be held from August 17-20, with a Preview for Friends' members and educators on August 16. (Memberships can be

purchased at the door.)

Friends' Executive Director Anne Keller said that this year's warehouse sale should be more consumer friendly. "We've made improvements in some of the more popular collections, such as children's books, which will make shopping much easier," she said. "We've divided kids' books into several sections, include classics, contemporary, award winners, and more. I'm sure parents and kids alike will love the difference." Children's books are priced from fifty cents.

Another popular area with a good selection is records. "Record collectors will love our collection of mostly classical music," she continued. "Despite the fact that it's been over 20 years since vinyl was produced, we continue to get generous donations. All of our records are priced at one dollar apiece."

There is also a good selection of movies on DVD and VHS, CDs, and recorded books.
