## Unclaimed Funds in Hamilton County Exceed \$50 Million

They come from dormant bank accounts, unreturned deposits on rent and utilities, or uncashed travelers' checks. They could even be dividends on stocks that were never cashed or insurance policies that were never paid out. No matter what the source, there are 266,373 unclaimed accounts owed to Hamilton Countians – a treasure trove totaling \$58,950,095.82.

At the request of the Ohio Commerce Department's Division of Unclaimed Funds, Hamilton County Treasurer Robert A. Goering assists in connecting these unclaimed funds to their owners. As part of the effort, seven sets of Unclaimed Funds Books that list the names and last known addresses of Hamilton Countians who are owed money will make their rounds throughout the Public Library of Cincinnati and Hamilton County. One set will be permanently housed in the Information and Reference Department (located in the former Government and Business Department) on the second floor of the Main Library's South Building, as well as at the Anderson, Green Township, and Symmes Township branch libraries. The remaining three sets will circulate at branch libraries on a rotating basis for one week at a time.

Unclaimed funds forms are available at each branch location and in the Main Library's Information and Reference Department. A searchable list of unclaimed funds and instructions about how to apply for them are available online at <http://www.hamilton-co.org/treasurer/uncfnds.asp>. For more information or to obtain necessary forms and instructions, call the Division of Unclaimed Funds' toll free number at 1-877-644-6832.
