The [Sites by Subject](#) page on CincinnatiLibrary.org links you to thousands of websites that have been carefully evaluated by subject specialists on our staff. Librarians compiled links to credible websites about [Finance and Investing](#) information like banking, credit, and debt information, money management, retirement planning, stock quotes and more.

Research Databases like the [Home Improvement Reference Center](#) and [Small Engine Repair Reference Center](#) – available 24/7 on CincinnatiLibrary.org – can help you plan your next big project at home. The Library’s many databases and online tools come from reliable, respected sources. Access them online 24/7 on the Library’s website. All you need is your library card and PIN number.

HOME IMPROVEMENT REFERENCE CENTER

This resource is designed to assist homeowners with do-it-yourself home repair, maintenance, and remodeling projects. Articles from magazines and reference books and step-by-step instructions for thousands of plumbing, outdoor, woodworking, electrical, and decorating projects are available. The database also offers a “toolbox,” which includes a glossary, conversion charts, and a homeowner’s journal.

SMALL ENGINE REPAIR REFERENCE CENTER

The Clymer small engine repair manuals contain thousands of accurate and concise step-by-step maintenance and repair instructions for small engine machines (motorcycles, ATVs, personal water craft, snowmobiles, lawn mowers, tractors, snow blowers, generators, etc.) and their supporting components. Routine maintenance, such as tune-ups and brake service, as well as more extensive repairs involving engine transmission disassembly are covered. Many documents contain photos and detailed illustrations.
