Some typing experience helpful. Class takes place in the Computer Training Room behind Homework Central. To register, call 369-6900 and ask for the TechCenter. Friday 6, 10:00 a.m. Registration is required

# November Programs for Adults

[www.CincinnatiLibrary.org](http://www.CincinnatiLibrary.org)

## Main Library

**Tech Spotlight-Microsoft PowerPoint 2007:** Learn the basics of the popular presentation program Microsoft PowerPoint 2007- slide shows, inserting pictures, diagrams, charts, tables & more. Class takes place in the Computer Training Center behind Homework Central. For more information, call 369-6900 & ask for the TechCenter. Friday 6, 3:30-5:00 p.m.

**Open Lab Time-Audio/Video:** Are you a musician looking to record music to the computer or an aspiring filmmaker looking to produce the next great epic? Use cutting edge software like Avid Liquid, Adobe Premiere, Pinnacle Studio, Pro Tools M-Powered, Cubase4, Ableton Live, Band in a Box and much more to create, edit & publish your work. Additional hardware provided includes web cams, keyboards, microphones & USB breakout boxes for importing data. Bring your own digital media on a flash drive, CD, DVD, camcorder, camera or other portable storage device. Takes place in the Computer Training Room behind Homework Central. For more information, call 369-6900 & ask for the TechCenter. Saturday 7 & Monday 30 10:00-11:30 a.m.

**Open Lab Time-Typing Basics:** Do you want to learn how to type or how to type faster? Mavis Beacon Teaches Typing software allows you to practice and progress at your own pace – and even play some fun typing games along the way! Sharpen your typing skills by joining us for this introductory session. Takes place in the Computer Training Room behind Homework Central. For more information, call 369-6900 & ask for the TechCenter. Monday 9, 10:00-11:30 a.m.

**Word Processing-The Next Step:** For users who know the basics of word processing. This class will delve more into formatting, templates, inserting graphics, and adding headers and footers in a word document. Feel free to bring a flash drive or CD with a document on it to work on. Class takes place in the Computer Training Room behind Homework Central. To register, call 369-6900 & ask for the TechCenter. Wednesday 11, 10:00 a.m. Registration is required

**Intro to the Internet:** Learn the basics of browsers, search engines, and online safety so you can explore the World Wide Web. Basic knowledge of the mouse and keyboard suggested before taking this class. Takes place in the Computer Training Room behind Homework Central. To register, call 369-6900 & ask for the TechCenter. Wednesday 11, 6:30 p.m., Saturday 21 & Friday 27, 10:00 a.m. Registration is required

**Working with Images-Intermediate:** Learn how to resize, edit, or combine images using Photoshop, a popular image editing program. Knowledge of computer functions and how to copy, attach and save files needed. Participants should bring images in digital format to use in class. Class takes place in the Computer Training Room behind Homework Central. To register, call 369-6900 & ask for the TechCenter. Saturday 14, 10:00 a.m. Registration is required

**Open Lab Time-Resume Building:** Create a dynamic resume to make a good first impression with a perspective employer. Using Microsoft Office Word 2007 is easier than ever to do just that with a wide variety of templates and step-by-step instructions. Participants will get a brief overview of how to use Word 2007 to update an existing resume or start a new resume from scratch and then get an opportunity to put their new skills to work. Class takes place in the Computer Training Room behind Homework Central. For more information, call 369-6900 & ask for the TechCenter. Monday 16, 10:00 -11:30 a.m.

# November Programs for Adults

[www.CincinnatiLibrary.org](http://www.CincinnatiLibrary.org)

## Main Library

**Social Networking-Why Everyone is Twittering About Getting Linked In:** Have you been getting strong hints from your friends and colleagues to get a Facebook page? What is this Twitter thing everyone is talking about? Learn how to link up with friends from high school and the new friend you met the other day in this special class. Basic knowledge of computers and the Internet is required and an email account is strongly recommended. Class takes place in the Computer Training Room behind Homework Central. To register, call 369-6900 & ask for the TechCenter. Wednesday 18, 6:30 p.m. Registration is required

**Your First Email:** Learn how to sign up for your first email account as well as how to send and receive messages. Basic knowledge of the mouse and keyboard and how to access the Internet suggested before taking this class. Class takes place in the Computer Training Room behind Homework Central. To register, please call 369-6900 & ask for the TechCenter. Friday 20, 10:00 a.m. Registration is required

**Tech Spotlight-Twitter:** Want to learn more about the social networking/micro-blogging site Twitter? No matter if you have an account already, want to sign up for one, or just want a little bit more information about the site, join us as the TechCenter shines the spotlight on Twitter. Class takes place in the Computer Training Room behind Homework Central. For more information, call 369-6900 & ask for the TechCenter. Friday 20, 3:30-5:00 p.m.

**Open Lab Time-Word Processing:** This session is perfect for users looking to work on word processing projects from letters or resumes to novels or short stories. Bring your preexisting word documents or start from scratch. Our instructor can help you with Microsoft Word 2007 questions and give general tips on word processing. Takes place in the Computer Training Room behind Homework Central. For information, call 369-6900 & ask for the TechCenter. Monday 23 10:00 -11:30 a.m.

**Computers 102:** For users who are now comfortable with the mouse & keyboard, this class will explore more functions on the computer. Learn important skills like how to open files and programs, how to copy & paste data, how to use folders & move files and more. Class takes place in the Computer Training Room behind Homework Central. To register, call 369-6900 & ask for the TechCenter. Wednesday 25 10:00 a.m. Registration is required

**Email, The Next Step:** Have an email account and want to learn what else you can do with it? Learn how to attach and download files, manage folders, and more. Participants should have an email address already, as well as a basic knowledge of the mouse, keyboard, and using the Internet before taking this class. Takes place in the Computer Training Room behind Homework Central. To register, call 369-6900 & ask for the TechCenter. Wednesday 25, 6:30 p.m. Registration is required

**Tech Spotlight-eBay:** Want to learn about the online auction and shopping website eBay? Learn the basics of bidding, buying, selling and saving just in time for the holiday shopping season! Join us as the TechCenter shines the spotlight on eBay. Class takes place in the Computer Training Room behind Homework Central. For information, call 369-6900 & ask for the TechCenter. Friday 27, 3:30-5:00 p.m.

**Intro to the Internet, Part II:** Become an Internet pro. This class will cover topics like the importance of creating a secure user name and password for websites, online etiquette, basic safety and security tips, and more. Class takes place in the Computer Training Room behind Homework Central. To register, call 369-6900 & ask for the TechCenter. Saturday 28, 10:00 a.m. Registration is required
