EXECUTIVE DIRECTOR'S REPORT

Staff Service Recognition Program

Ms. Fender reported that the annual Staff Service Recognition Program was held that morning at the Main Library. Board President Tara Khoury presented the Rookie of the Year Award to Graphic Artist Jen Kawanari and, with Joe and Noel Dehner, President’s Awards and Bunny Dehner Prizes to Internet Site Coordinator Sandy Bolek and Reference Librarian Carrie Dressman.
Knowledge Never Ends at Your Library

Ms. Fender presented the Library’s 2009 Report to the Community entitled *Knowledge Never Ends at Your Public Library*. The Report, which was designed and printed in house, is available on the Library’s website and copies will be sent to legislators and other community leaders.

Ms. Fender reported that:

**Jason Buydos - OLC Conference Presentation**
- Jason Buydos, Technical Services Director, will present “Integrating Ourselves within the Community through Digitization” at Ohio Library Council’s “Think Ahead. Think Opportunity.” conference on March 31. Jason will tell other libraries how he has used the Library’s digitization program to build community partnerships, grow the Library’s online collection and generate revenue.

**Main Library Security**
- the *Cincinnati Enquirer* article on February 15th about crime at the Main Library was prompted by a press release from the Service Employees International Union (SEIU) that represents 125 Library employees. Ms. Fender requested copies of the Hamilton County Sheriff’s reports for all 259 arrests made in 2009 and found that 247, or 95%, were for non-violent behaviors including criminal trespassing, truancy, disorderly conduct, theft, possession of marijuana or drugs, open container law violations and public indecency. The remaining 12 arrests were for menacing, assault and resisting arrest. As a matter of comparison, the Main Library had 1.4 million visits in 2009. Also, although 800 Vine Street was the arresting address, the behavior leading to the arrest could have occurred on the street outside the Library.

Public libraries must allow public access but our Standards of Library Behavior allow us, with the support of Hamilton County Sheriff’s Deputies, to remove or arrest members of the public when they behave in a way that is inappropriate or dangerous to others using or working at the Library. We continue to work on anticipating and preventing behaviors that result in arrest and on keeping the Main Library a safe place to work and visit.

**Connect Ohio/State Library of Ohio Grant**
- Ms. Fender presented the Board with an opportunity to participate in a joint grant application being submitted by Connect Ohio, a non-profit public/private partnership established by the Strickland administration and the State Library of Ohio. The grant would provide funds for (1) the purchase of computer equipment for public use and (2) computer skills training for the public.

To participate, the Library must commit matching funds in three ways:
- Match grant funds of $475 per computer with at least $125. At current prices, we would need to provide $325 per computer. She proposed purchasing 622 computers for 20 branches.
- Provide in-kind training. She proposed 1 additional hour of training each week at every branch and 5 additional hours each week at the Main Library over the two-year grant period – 4,860 new hours of training.
- Contribute one-third of the cost of public awareness of training and equipment for our region of the State.

She anticipates contributions and grant receipts as follows:

**IBM KidSmart Early Learning Program**
- The centerpiece of IBM’s KidSmart Early Learning Program, which provides equipment and software to schools and libraries, is the Young Explorer™, a computer housed in brightly colored, child-friendly Little Tikes™ furniture, equipped with award-winning educational software. The KidSmart grant program encourages an early love for learning that helps prepare children for success in school.

Application for the grant is by invitation only to organizations that have demonstrated success in the field of early childhood education. We are requesting the minimum allowed – 50 units, a value of $130,000. Matching funds are not required.

**Ohio State University – Consumer Health Award Application**
- Our Library has been invited to participate in a consumer health award application submitted to the National Network of Libraries of Medicine/Midwest Region. The grant, “Multiple Language Resources for Vulnerable Health Consumers Served by Ohio’s Public Libraries” is a
collaborative project between the Ohio State University (OSU) Prior Health Sciences Library, OSU Department of Patient Education, and Ohio’s largest public libraries. The project would expand access to foreign language consumer health resources Health Info Translations and Medline Plus to our library staff and visitors. If the award is received, OSU would provide training, support and resources to participating libraries. We would provide training and webinars to library participants in each system.

COAST Public Record Requests
- COAST, the Coalition Opposed to Additional Spending and Taxes, submitted two public records requests to the Library. The first requested the email list compiled and used to promote the Library levy. Since the Library did not compile an email list to promote the levy, we responded that the Library had no records responsive to the request.

The second request demanded the email addresses of all Library cardholders. In accordance with advice from the Hamilton County Prosecuting Attorney’s Office, we replied that these records are not considered public records under Ohio law and, in fact, Ohio law requires that these records be kept confidential.

Ohioana Book Festival
- the Ohioana Library Association, a non-profit, State agency formed to collect, preserve and promote the written word of Ohio’s writers, artists and musicians, has for the past three years hosted a book festival featuring Ohio writers. Our Library will again participate in the Festival to be held at the State Library of Ohio on Saturday, May 8, by assisting with Festival programs and authors. Featured authors include three with ties to Cincinnati – Jennifer Chiaverini, Nikki Giovanni and Andrew Hudgins.

Library Polling Places
- the Hamilton County Board of Elections has requested use of the following libraries for primary, general and special elections in 2010: College Hill, Corryville, Covedale, Green Township, Harrison, Hyde Park, Madeira, Mariemont, Monfort Heights, Northside, Symmes Township, Westwood, and Main Library.

Cincinnati Recreation Commission – Opening Day Parade
- the Library and the Cincinnati Recreation Commission (CRC) will team up in the Findlay Market Opening Day Parade on Monday, April 5. Library and CRC staff, along with Rufus the Reading Dog, will carry a banner and signs highlighting both organizations.

People Counters
- The Main Library has entrance gate counters but our branch libraries do a twice-year sampling count to estimate the annual number of visits to each location – a method we believe has resulted in significant undercounting. Therefore, wireless counters have been purchased that will not only provide an accurate count but also provide data by time of day so we can more effectively determine optimal staffing and hours of operation.

Search for New State Librarian
- Jo Budler, State Librarian of Ohio, announced her resignation in late January to assume the position of State Librarian in Kansas. The five members of the State Library of Ohio Board of Directors are conducting a search for a new State Librarian; the window for applications closed in
early February. Our primary interaction with the State Library of Ohio is as a recipient of Library Services and Technology Act grants and the Gates computer equipment grant.

Mr. Moran moved that the Executive Director’s Report be approved as submitted, including approval of the resolution for the Connect Ohio grant application. Mr. Sittenfeld seconded.

Voting for the motion: Mrs. Gettler, Mrs. LaMacchia, Mr. Moran, Mr. Sittenfeld, Mr. Wright and Mrs. Khoury … 6 ayes. The motion carried. (21-2010)

LIBRARY SERVICES AND ADMINISTRATION COMMITTEE REPORTS

LIBRARY SERVICES

Mrs. LaMacchia introduced Chris Holt, manager of the Sharonville Branch.

Sharonville Branch

Chris Holt reported that the Sharonville Branch has experienced a 20% increase in circulation during the years 2005-2009, and for the first time circulation broke the half a million mark in 2009. The staff focuses on delivering proactive customer service, strong marketing of the collection through inventive displays, and providing a variety of programming for all ages.

Mrs. LaMacchia reported that:

Digital Signage

- digital signage is a commercial grade flat screen TV monitor connected to hardware and software, installed in a high traffic area to market books and materials, programs, special events and Library news. This signage will be installed at eight branches (Bond Hill, Delhi, Symmes, Harrison, Groesbeck, Sharonville, Madeira, and Blue Ash) and the Main Library beginning this spring, replacing most of the current paper signage. Digital signage is being purchased with I-Net funds.

Literature Criticism Online

- in February, Literature Criticism Online went live. This important research tool includes ten award-winning, multi-volume reference sources in one cross-searchable database, provides over 200,000 hard-to-find essays on authors and their works and provides content on more than 600 diverse topics of literary interest. The online product is easy to use, cost-effective and is available to Main, branch and remote users.

**Library Usage**

Mrs. LaMacchia also reported that:

**SEIU 1199- Unfair Labor Practice Charge Dismissal**
- on November 2, 2009, the Union charged that the Library’s Motion to Stay Negotiations until the Decertification Election violated an alleged agreement with Kim Fender to begin negotiations after the Levy vote. On February 9, 2010, the State Employment Relations Board (SERB) dismissed the Unfair Labor Practice Charge pursuant to ORC 4117.11. After investigation, the Board found no probable cause existed to support the charge. Information gathered during the investigation revealed that the SEIU’s information did not rise to a statutory violation.

**SEIU 1199 – Decertification Election**
- on February 23, Mary E. Bennett-Brown and Robert S Brown participated in a telephone conference with SERB outlining decertification election procedures. Present on the conference call were Library staff members Jane Rosenfeld and Debbie Brown, SEIU Organizer Mark Turpin and two other SEIU representatives.

SERB will conduct the representation election via mail ballot from March 16 through March 29, 2010. Three days prior to beginning the polling period, SERB will mail a Mail Ballot Kit to each eligible voter. The ballot must be returned to SERB postmarked by March 29th. The tally of ballots will take place on April 6th in Columbus. Although most of the 125 staff members in the bargaining unit are not paying union dues, all can vote in the Decertification Election. The ballot will provide the members of the bargaining unit with two choices – continuing with SEIU as their representation or returning to no representation for collective bargaining.

Mr. Moran said that he was contacted by a library customer who did not want to use self check equipment at Clifton. Greg Edwards told him that the staff is always willing to check out a patron’s materials for them.

Mr. Moran asked if use of the digital signage would be controlled by guidelines. Mr. Edwards replied that content would not be decided at each location, but centrally through Public Relations.

Mrs. Gettler asked for more information about the I-Net funds. Ms. Schoettker provided a brief history of the funding – that it was received in the 1980’s from Time Warner as a requirement of their Cincinnati cable franchise. The original plan to establish a public access television studio in the Main
Library was discarded many years ago and the purchase of public programming equipment was the best alternative use.

Mrs. LaMacchia moved that the Board approve the Library Services and Administration Committee report as submitted, including personnel changes. Mr. Moran seconded.

Voting for the motion: Mrs. Gettler, Mrs. LaMacchia, Mr. Moran, Mr. Sittenfeld, Mr. Wright and Mrs. Khoury … 6 ayes. The motion carried. (22-2010)

FINANCE AND AUDIT COMMITTEE REPORTS

2010 Appropriation Revisions

Mr. Moran presented a recommendation that 2010 Appropriations be revised as follows:

<table>

The *Gift Fund* revision allows some of the Gates Grant computer purchases to be properly expensed as equipment, rather than supplies. The change in the *Incidental Expenses Fund* accommodates the award of a second 2010 Dehner prize.

Mr. Sittenfeld moved that these items be approved as submitted. Mr. Moran seconded.

Voting for the motion: Mrs. Gettler, Mrs. LaMacchia, Mr. Moran, Mr. Sittenfeld, Mr. Wright and Mrs. Khoury … 6 ayes. The motion carried. *(24-2010)*

Starting Wednesday, March 10, 2010, bidders may purchase Contract Documents (full sets only) at the cost of reproduction from Queen City Reprographics, 2863 Sharon Road, Cincinnati, Ohio, 45241, 513-326-2300.

**Modifications to Main Library Receptionist Area**

Mr. Moran presented a proposal to change to the configuration of the third floor receptionist area by constructing two new doorways with keycard access across the hallways and providing visitors phone access to gain admittance. This change will eliminate the need for a staffed receptionist’s desk while maintaining the security of non-public areas of the Library. The estimated cost is $20,000.

**Property Appraisals**

Ms. Fender reported that Cornerstone Appraisal Corporation prepared updated opinions of value for the old Bond Hill property located at 1703 Dale Road and the Westwood Annex and Wullenweber properties located at 3064 Urwiler and 3054 Harrison Avenue. The Bond Hill facility and the Westwood Annex were found to be in good overall condition based on age, upgrades and ongoing maintenance. However, the former Wullenweber building was found to be in poor condition due to a deteriorated roof and interior partitions. Market values for the Fee Simple Estate of each property are:

<table>
<thead>
<tr>
<th>Property</th>
<th>Value</th>
</tr>
</thead>
<tbody>
<tr>
<td>Bond Hill</td>
<td>$ 70,000</td>
</tr>
<tr>
<td>Westwood Annex (.368 acre site)</td>
<td>$ 260,000</td>
</tr>
<tr>
<td>Wullenweber (.216 acre site)</td>
<td>$ 60,000</td>
</tr>
<tr>
<td>Westwood Annex (combined .584 acre site)</td>
<td>$ 340,000</td>
</tr>
</tbody>
</table>
The valuation of the Bond Hill property declined by nearly one-half from the previous opinion of value prepared by Eric Gardner, Colliers Turley Martin Tucker, Commercial Real Estate Services, in May of 2007. The valuation of the Westwood Annex and Wullenweber buildings declined by more than one-half from the previous opinion of value prepared by Harry H. Oelerich in June of 2005.

On the basis of these earlier opinions, the Board set prices of $150,000 for Bond Hill and $750,000 for the combined Annex and Wullenweber properties. We propose reducing those prices now and contacting the parties who have previously expressed interest in the properties. If no interest is expressed, then we request the Board’s approval to engage the services of a listing agent to assist in the sale of these properties.

Mrs. Gettler communicated her expectation that minority bidders would be among the contracts awarded for the Ongoing Maintenance project. Ms. Fender advised that the Library is legally obligated to award our contracts to the lowest responsible bidders.

Moran suggested that Mr. Smitherman be contacted again about the Bond Hill property.

Mr. Moran moved that the Board approve the Facilities Committee Report as submitted. Mr. Wright seconded.

Voting for the motion: Mrs. Gettler, Mrs. LaMacchia, Mr. Moran, Mr. Sittenfeld, Mr. Wright and Mrs. Khoury … 6 ayes. The motion carried. (25-2010)

Voting for the motion: Mrs. Gettler, Mrs. LaMacchia, Mr. Moran, Mr. Sittenfeld, Mr. Wright and Mrs. Khoury … 6 ayes. The motion carried. (26-2010)

Mr. Sittenfeld reported that the Community and Public Relations Committee met on Monday, March 8, 2010. Committee Chairman Paul Sittenfeld, and Library Trustees Dee Gettler, Betsy LaMacchia and Bill Moran were in attendance, as were Kim Fender and Amy Banister. Mr. Sittenfeld presented the following Committee recommendations:

LEGISLATIVE AFFAIRS AND LAW COMMITTEE REPORT

Mr. Wright reported that:

Alicia Reece Appointed to Ohio House
• Former Cincinnati Vice Mayor Alicia Reece will fill the vacant 33rd House District seat formerly held by Tyrone Yates.

Ohio Library Council Legislative Day
• the Ohio Library Council (OLC) will provide briefings at its annual legislative day in Columbus on March 16, including results of a statewide survey on public libraries that will be presented by
Kim Fender. Library staff are scheduling appointments to meet with our 11 Senators and Representatives, including the recently appointed Ms. Reece.

Mr. Sittenfeld asked if this event was of benefit to the Library and, if so, where our focus should be. Mr. Fender replied that the staff in attendance splits up to visit all eleven representatives.

The report was received and filed.

Mrs. Gettler asked how the State Library Board is appointed and Ms. Fender explained that the five members are appointed by the Ohio Department of Education. Although we have had representation from southwest Ohio in the past, the current makeup is one from the Columbus area, one from Cleveland and three from southeast Ohio.

Mr. Sittenfeld suggested inviting the Board to meet in Cincinnati for one of their future meetings. He suggested Joe Dehner as a potential future candidate.

The Regular Meeting was then adjourned.
