GENERAL NOTES:

A. ENGINEER/OWNER/CLIENT shall not be responsible for the means, methods, techniques, sequences or procedures of construction selected by Contractor.
B. CIVIL ENGINEER of record (Steve Stewart 616-9694) shall field verify design intent of proposed grade stakes prior to construction.
C. The locations of the underground facilities shown on this plan are based on field surveys and local utility company records. The engineer does not guarantee their accuracy. The contractor shall field verify locations with utility companies prior to any field work. The contractor is solely responsible for verifying all existing utility locations.
D. All site work shall be completed in accordance with the latest addition of "State of Ohio Department of Transportation Construction and Material Specifications", City of Cincinnati's "2008 City Supplement to ODOT", Metropolitan Sewer
E. Contractor to install all erosion control measures as required by Local & State regulations prior to any earth moving activities.
